"This has been such a happy, sunlit home for our family, and we've had years of great get-togethers in our much-loved modern open-plan kitchen and dining space. Living here means being part of a wonderfully friendly neighbourhood, with Gloucester Road and Henleaze High Street just a short stroll away. For our family, the Common has been a joy, evening walks, playground trips, and community life at their cafe, sauna and neighbourhood events. Catchment area for Redland Green - which was great for our daughter, and great primary schools. It has truly been the perfect, peaceful place to watch our family grow."
