"We got married here with forty people in the garden in a marquee, it was the best day of our lives. Living on this road comforts us, the neighbours are lush and we live by a beautiful park. Walking down to Snuff Mills is so peaceful. We love our house, a lot of thought and attention has gone into making it a warm, vibrant place. Sitting in the bay window with the sun on your back, looking through into the garden is really nice. The backroom is a great space for entertaining and relaxing."
