"Brunswick Street is the one!! 3ft6 café right behind the house for those morning coffee's on the way to Netham Park which is about three minutes walk away. We've loved raising our little boy in this cosy yet spacious home. The cherry tree in the back garden has provided us with beautiful harvests every year. We have felt really lucky to feel part of the local community and make memories with neighbours who are now good friends. Every year there is a street party too!"
