"We moved to Brendon Road in 2021 with a 10-week-old baby and it has been a joy to live here. The community is welcoming and were so supportive of us with a young baby. We have formed close friendships who we will be sad to leave. The location is perfect, Victoria Park is so close and has several community events throughout the year. You have easy access to so many great Bedminster spots, the city farm with is market and a short walk to excellent restaurants on North Street. Brendon Road really is a wonderful place to live."
