"Its a very easy place to live as a first time buyer, I have my own parking space, a nice shared garden on hot days and the mix of neighbours means its quite quiet and friendly. The bus stop nearby makes commuting into town easy when I don't want to drive, and Southville is a 15 minute drive away if I want to go for coffee. The properties also handily situated on the main roads connecting Bath to the airport so its very convenient for holidays and getting away."
