"Waking up and enjoying a fresh brew outside on the decking overlooking the City. It is peaceful but also gives a great sense of connection, and gets me ready for each day. In the Summer, morning sun shines onto the decking and I love chilling out for an hour or two with a book. Day-to-evening time BBQs are legendary amongst my friendship group - it's a perfect outside space to host good times. Later on, retreating indoors and getting cosy is a great feeling."
