"I have loved living here, it so well connected - being able to jump on a bus in to town or head out on my bike - I was so excited when I discovered how quick it is to get on the Bristol-Bath path! The privacy of the back garden has been great, something I have felt really lucky to have, it can be a proper little sun trap - glorious! The short stroll to Eastville Park, people watching and exploring walks from there has been yet another delight."
