"We have loved living on Salisbury Road. The garden has been a tranquil place to enjoy the sunshine all day, and into the evening. We love sitting under the pergola and enjoying a morning coffee, or a Gin and Tonic in the evening surrounded by flowers, often watching hot air balloons float overhead. In the colder months the kitchen dining area becomes a place to be together, whilst one of us cooks and we discuss the events of the day. We love our kitchen, its perfect for a couple of foodies!"
