"Our first family home sits nestled under the highest point in Bristol, where you can watch hot air balloons, New Year fireworks, and even see Pen y Fan on a clear day. We have loved hopping onto the cycle path for days out in Bristol and strolling into Fishponds for coffee. The house itself has a spacious lovely feel - we're really proud of what we've done with the kitchen and how it maximises the wonderful light and views out to the garden."
