"We have loved making this house a home over the past few years in particular the garden becoming its own oasis to host BBQs in the summer. It is a sun trap for a drink after work for sure. I love how close we are to the Bath to Bristol cycle bath which we use every week and walk, run, and cycle and there's the lovely Warmley railway cafe to visit. It is now time for another family to enjoy this lovely space and make it their own."
