"Our house has been a much-loved family home and sanctuary, it's peaceful, and perfectly located. One of only four of its style in the 1930's heritage collection on a friendly estate, our house is the only one with its own private driveway in this collection and a completely private, quiet garden. We've loved how versatile the space is. It's ideal for family life, entertaining, working from home, or simply relaxing. The location is unbeatable, with beautiful commons, great transport links and local Schools."
