"Drummond Road has been a really special place to call home during our late twenties and early thirties. We've made loads of fun memories here - hosting friends for drinks and dinners, having visitors from out of town come to stay, and enjoying Stokes Croft and Gloucester Road being right on the doorstep. We've also really loved having a bit of outdoor space to have some plants and flowers and to have a morning coffee in the sun. We'll definitely miss living here!"
