"We've loved living & working in this light & spacious home. We fell in love with its lovely features - especially the fireplaces. We eat all our meals in the kitchen diner, which is one of our favourite haunts. From my bedroom bay window, in a spare moment, I love to watch the world go by. The garden has been a joy as we developed it over the years. Our lovely neighbours are always ready to help out or have a chat & we will really miss the community atmosphere in the street."
