"The view is really special to us, whether sitting in the garden with a glass of wine watching the light change or watching the hot air balloons float by (as they do throughout the summer). Of course balloon fiesta is great watching the mass assents from the garden or New Year's when we have one of the best seats in Bristol for the sky full of fireworks for 10 magical minutes. We love how quick it is to walk into Bristol, under 30 to Temple Meads via Wells Road or a relaxed walk along the river."
