"Cabot 24 is a fantastic place to live due to its central location. It's a short stroll to the famous Cabot Circus shopping mall, local shops, restaurants, green spaces and many of Bristol's amenities, whilst also having easy access to the M32 and M4/M5 motorways. This apartment in particular has the huge benefit of two secure parking spaces (very coveted in central Bristol). It is also light, airy and spacious and enjoys a prime second floor location within the building."
