"This house has always felt like my sanctuary in the bustling city. My favourite spots are getting cosy with the dog next to the fire, or cooking outside under the tree in my very own secret garden! There is just something magic about Easton, I've never been able to put my finger on what it is. There is such a strong sense of community, and there is always something to do locally - jazz nights in the Chelsea, stunning coffee from Radicals, wine in the Bistro and cooking classes in Coexist."
