"We love so many things about this house. The location is perfect for us, it's a peaceful street but still a short walk to North Street, Wapping Wharf and Temple Meads. Being a 2 min walk from the park makes those morning and evening dog walks super easy. The views from the back of the house are amazing, we love looking at the Suspension Bridge each day. It means a lot that we've been able to put our stamp on every room and design it just how we wanted."
