*"We have loved living on Gratitude Road. Having the cycle path on our doorstep has been such a joy, making it easy to cycle into town or out to Bath, often with a stop off at the much loved Café No. 5 at the top of the street. Yet what we've appreciated most is the sense of peace here. Whether listening to the birds at the bottom of the garden or watching the sunset while soaking in the bath, it's easy to forget how close you are to the heart of such a thriving city."*
