"I've loved living in this flat as a first-time buyer—the high ceilings and the natural light streaming through the clerestory windows make it feel so bright and spacious. It's just 5 minutes from Cabot Circus, 10 minutes from Temple Meads, right by Castle Park, and in the perfect spot for some incredible restaurants. It's the perfect property for first-time buyers or anyone looking for a hub or base in a vibrant, central part of Bristol, with everything on your doorstep."
