*"Our favourite part of the house is the large open-plan space downstairs, where we have done lots of entertaining over the years. As a chef, I really love our kitchen! We have used the room off the kitchen in a variety of ways, including a fifth bedroom, snug, office, and playroom! It's lovely to be tucked away from the hustle and bustle in a quiet, friendly neighbourhood, which is nice to come home to. We've enjoyed summer evenings in the garden with a glass of wine, watching the sunset."*
