"We love being so close to the Gloucester Road. Before we started a family it was for an impromptu trip to our favourite wine bar, Cave, just around the corner. They always have a great recommendation and something new to try. After having a baby it was for the coffee shops and baby groups! We love having the big, bright space in the kitchen and opening the doors out onto the garden on a nice day, and closing the sliding doors to stick the wood burner on in the living room on a cold evening."
