"We have loved how the downstairs is bright and sunny especially with the doors open into garden in the summer but also cosy with the wood burner in the winter. We love being able to walk our dog in the cemetery every morning. Being able to walk to several lovely cafes (Cafe 5, no 12 & radical roastery are our favourites) restaurants (the garden of Easton and baffled king!) as well as great pubs. One of our favourite bits about the area is walking along the from from Eastville park."
