"I love it here because everything is on your doorstep. Plenty of green spaces- enclosed gardens, parks, a football field, even a lake to catch the sunset. Sainsbury's bakery has been a weekend favourite, as has the nearby cycle path. There's a strong sense of community here, with plenty to get involved in— from events at the Community Centre and Science Park to organised activities out in nature. My favourite has been joining my neighbours to watch the Santa Float, which passes by at Christmas."
