'We have really enjoyed our time in Windmill Hill. It has such a friendly vibe and welcoming community and lots to do locally. Being walking distance from the Windmill Hill City Farm, Victoria Park and Free Dog was a dream as a family with two small kids. We particularly love the park and having such easy access to a huge expanse of green space and playgrounds. The farm is also great and there are lots of fab events to engage with and a really yummy cafe! It is also such a great place to live location wise. We worked across town and it's a pleasant and easy walk or drive and we always felt very well connected for entertainment and shops.'
