*"We've loved making this house a home over the past four years, with the garden being a real highlight for us. Whether it's coffee on the decking in the morning, to entertaining family and friends in the evening. One of the things we'll miss most is being just a short walk from Redcatch Park, which has been a favourite spot for morning walks, evening strolls, and enjoying the outdoors. It's a fantastic location with a real sense of community, and we hope the next owners will enjoy it as much as we have."*
