*"Our home is very new so very few issues with the building at all and very easy to upkeep. The neighbours are very nice, polite and quiet, it is a close so we know all of them. There is a co-op only a few minutes away that is open till 10pm every day, it is very useful in case you need something quickly or forgot an item during the weekly shop. The garden has artificial grass so is very low maintenance, and also has rear access from the close which is great for dog owners or cyclists".*
