*"We fell in love with our flat in the Paintworks from the minute we viewed it. As our first home, we knew we wanted somewhere special and we definitely found it. Our favourite thing to do was sit in the living room window and have breakfast together, watching the scenery change with the seasons. We felt so welcomed into the Paintworks community, and made so many great friends - many an evening spent at BoccaBar over discounted pizza! We will always remember our time at the Paintworks so fondly."*
