"We love our house on Somerset Road it is a very special place. We are incredibly lucky to have found a home that offered everything we wanted. We enjoy the panoramic views of the city and the vast green canopy of Arnos Vale cemetery and parkland. It has been perfect for walking our Jack Russell's, exercising and picnics in the park. The house is four stories and affords us a huge amount of space and flexibility for guests and visitors. We never realised we needed three bathrooms! It is a fantastic neighbourhood - a mix of artists, makers and professionals. There is great sense of community here and we have lovely neighbours. We hope the new owners enjoy living here as much as we have."
