"We have loved living here as the location is so good. We are close to rail links and central Bristol and have a very popular primary school within a 5 minute walk. There are numerous cafes and a deli nearby with several parks. Perrots park with its view over Bristol is great for viewing the balloon fiesta without the hassle of going to Ashton Court and Redcatch park with its vibrant community and regular local events. There's also Arnos Vale Cemetary which is a great place for a quiet walk."
