"Having lived in the area for years, I felt like I'd hit the jackpot when I found this flat after months of searching. Just a five-minute walk from the buzz of North Street and Wapping Wharf, it offers the best of city living while feeling calm and tucked away. The light is what makes the flat truly special. Every room is filled with natural light throughout the day, creating a bright, uplifting atmosphere and making it a wonderful place to come home to. The garden is a peaceful green retreat in the heart of the city, perfect for a morning coffee or unwinding at the end of the day."
