, Basildon Offers in the region of £80,000

Business Description

An excellent opportunity to acquire a well-established Meals on Wheels food delivery business operating across Essex, providing freshly prepared hot meals directly to customers' homes. The business has built a strong reputation for reliability, quality food, and compassionate service, becoming a trusted provider for many regular customers who rely on convenient, nutritious meals delivered daily.

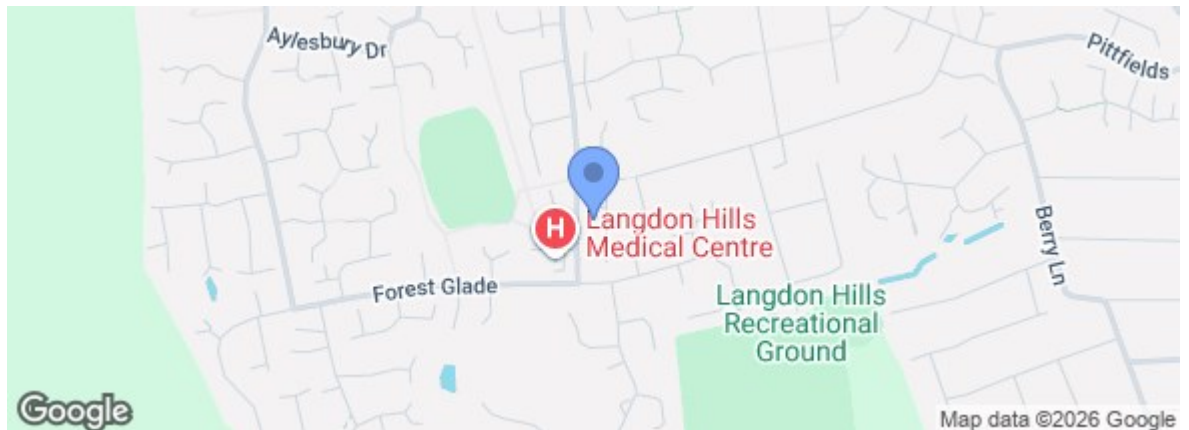

With an annual turnover of approximately £80,000, the business benefits from consistent and dependable income, supported by a loyal customer base and strong word-of-mouth referrals. Over the years, the company has also developed a reliable network of outsourcing partners and suppliers, allowing operations to run efficiently while maintaining high standards of food quality and service.

The sale includes specialist delivery vehicles and operational assets, meaning a new owner can take over the business and continue trading immediately. There is also clear potential for expansion, whether by increasing delivery routes, partnering with care providers, or extending services to additional areas across Essex.

The current owner is selling due to relocation, presenting a fantastic opportunity for someone looking to step into a rewarding and profitable food delivery business with strong foundations already in place.
