Whilst Apartment 3 has been sold on a long lease for £1.65m, we still own the freehold and should an investor want to also purchase Apartment 3's lease so they own all 5 apartments in the building, then there is a strong possibility of the company buying back Apartment 3's lease.

The Guernsey company, Executive & Waterside Properties Ltd has built "Thames View", a very exclusive development of 5 luxury apartments, in Grand Parade, Leigh-on-Sea, SS9 1DX, the best in the Essex. Apartment 3 has sold at £1.65m. Each apartment has 3 beds, all en-suite, and average 1,500 sq.ft. All 5 apartments have 180 degrees panoramic sea views over the River Thames with views past Southend Pier and to Canary Wharf, some with over 40' wide balconies, and each apartment is very different.

Chalkwell station is a 2 minutes walk and 40 minutes to London City centre. London Southend Airport is a 10 minutes drive away.

There is a second to none basement car park, accessed via a car lift (the same as McLaren have in their Woking HQ), with a sliding turntable system, which takes your car to your designated double stacker. Each apartment has it's own stacker providing 2 car parking spaces, and you can remove the top car without moving the bottom car. All parking equipment has been designed for low slung cars and the stackers are wider and stronger than normal, taking 4x4s etc.

Located on the prestigious Grand Parade, this exceptional penthouse at Thames View offers a rare opportunity to experience luxury coastal living in one of Essex's most desirable seaside towns. Positioned to enjoy uninterrupted views across the Thames Estuary, the property combines contemporary design with an enviable lifestyle, where expansive glass frontage and private balcony spaces allow natural light to flood the interior while framing breath taking sea views. Thames View is an exclusive collection of just five individually designed apartments, each finished to an exceptional

standard and crafted to deliver a refined, contemporary living experience. With one residence already sold, the remaining homes present a rare opportunity to secure a property within this boutique development, where prices range from £1.25 million to £1.75 million.
