The Hyde, Basildon Guide price £225,000

Aspire are pleased to present this spacious and versatile family home, perfectly positioned within a popular residential setting in The Hyde - offering the ideal environment for families to grow, settle and create long-term memories.

This unique 2/3 bedroom end-terrace has been thoughtfully arranged to suit modern family living, offering flexibility, space and practicality throughout. While officially a two-bedroom home, the current owners have adapted additional space to create a third bedroom, ideal for families needing that extra room for children, guests or a dedicated home workspace.

The home has been designed with family life in mind, with the main living accommodation set on the upper floor to maximise natural light and create a bright, welcoming hub of the home. The lounge/diner is a fantastic space where families can come together - whether that's relaxing after a long day, enjoying meals together or entertaining, with double doors opening onto a private balcony, perfect for a morning coffee or some quiet time in the evening.

The kitchen offers a practical and well-laid-out space with plenty of storage and worktops, making it ideal for busy households and day-to-day family life.

Downstairs is where the home really works for family living, offering two well-sized double bedrooms, giving everyone their own comfortable space. The main bedroom benefits from direct access to the rear garden, perfect for families with young children or those who enjoy easy indoor-outdoor living. The additional versatile room, currently used as a third bedroom, highlights just how adaptable this home is as family needs change over time. A family bathroom, separate WC and further storage add to the practicality of the home.

Externally, the rear garden provides a safe and private space for children to play, while also being ideal for family BBQs, summer evenings and social gatherings. With access up to the balcony above, it creates a multi-level outdoor space the whole family can enjoy.

For families, location is everything, and this home ticks all the boxes. Positioned within walking distance of local shops, well-regarded schools and transport links, it offers everyday convenience alongside a strong community feel. Laindon Station is also just a short distance away, providing direct access into London for commuters.
