Aspire Estate Agents are delighted to introduce this charming and beautifully presented bay-fronted Edwardian semi-detached home, offering a fantastic combination of period character, modern finishes and an exceptional west-facing rear garden.

From the moment you approach the property, the attractive Edwardian frontage immediately sets the tone for what lies within. Stepping through the entrance porch, the home opens into a wonderfully characterful bay-fronted sitting room, where a traditional Victorian-style fireplace creates an impressive focal point and the generous bay window draws in plenty of natural light.

Beyond is the separate dining room, providing another excellent reception space for family meals, entertaining or more relaxed everyday living. A further feature fireplace adds to the character, while the proportions make this a highly usable and inviting room.

To the rear is the superb kitchen / breakfast room, beautifully fitted with an extensive range of cabinetry and complemented by solid oak work surfaces. A Belfast-style sink, integrated cooking appliances and excellent storage combine practicality with character, while the part-vaulted ceiling and recessed lighting help create a bright and attractive space.

Direct access from the kitchen leads straight into the rear garden, making the layout particularly well suited to entertaining and everyday family life.

Also positioned on the ground floor is a stylish contemporary family bathroom, fitted with a modern three-piece suite including bath with shower over, pedestal basin and WC, finished with porcelain tiling and a chrome heated towel rail.

Upstairs, the first-floor landing leads to two excellent double bedrooms.

The principal bedroom is particularly generous, with two front-facing windows creating a bright and airy feel, alongside useful built-in storage.

Bedroom Two is another impressive double room, offering excellent proportions and plenty of flexibility for family, guests or home working.

Outside is where this home becomes particularly special.

The property enjoys a large west-facing rear garden,

positioned perfectly to make the most of the afternoon and evening sun. Immediately adjoining the house is a generous patio area with a pergola above, creating a fantastic setting for alfresco dining, outdoor seating and entertaining.

Beyond the patio, the garden continues with a substantial lawn, established borders and mature planting, providing an attractive and private outdoor space with plenty of room to enjoy.

Towards the rear is a more secluded area offering useful garden storage and shed space.

One of the garden's most appealing features is the outlook, with the property backing onto open ground with light woodland beyond, creating a greener and more open backdrop than many homes in the area.

Further benefits include gas central heating, uPVC double glazing, external lighting, outside water supply and gated side access.

Offering period charm, generous room sizes, two double bedrooms and a superb west-facing garden setting, this is a home that needs to be seen to be fully appreciated.

Early viewing is highly recommended.
