## Interior

The accommodation is entered via a welcoming hallway providing access to the principal rooms and creating a practical and well-balanced layout.

To the front of the property is a generously sized living room, offering an excellent space for relaxing and entertaining. The separate kitchen/dining room provides plenty of room for family dining and everyday living, with ample worktop and storage space.

One of the property's greatest strengths is its versatility. Buyers requiring a third bedroom could utilise the current kitchen/dining room as the main living space, allowing the existing lounge to become a substantial third double bedroom without compromising the functionality of the home.

The kitchen leads directly into the conservatory, providing an additional reception space with views over and access to the rear garden. This creates a natural connection between the house and outside space and provides an ideal area for dining, relaxing or entertaining.

Both existing bedrooms are well-proportioned doubles, while the accommodation is completed by a modern family bathroom and useful storage.

Above, the property benefits from a sizeable loft space, offering exciting potential for conversion into further bedrooms, bathrooms or additional living accommodation, subject to the necessary planning permissions and building regulations. For buyers looking to create a larger long-term home, the scope available here is a significant advantage.

## Exterior

The property occupies a generous plot and offers excellent potential to create off-street parking to the front, subject to any necessary consents.

To the rear is a private garden, providing plenty of space for outdoor dining, entertaining and relaxing, with scope for a new owner to landscape and personalise the space further. The conservatory opens directly onto the garden, making it a natural extension of the internal accommodation.
