OUTSIDE

Driveway

A substantial gated in-and-out paved driveway provides an impressive approach to the property and generous off-street parking for approximately four to five vehicles.

The driveway offers excellent manoeuvrability with separate entrance and exit points and leads directly to the double garage, providing further secure parking or valuable storage space.

Finished with smart block paving, the frontage complements the scale of the home while offering the level of parking rarely found in such a sought-after location.

Garden

The property occupies a larger than average plot and enjoys an impressive rear garden which has been thoughtfully landscaped with ease of maintenance in mind.

The garden incorporates extensive block-paved patio and pathway areas, a generous lawn, established planted borders and a variety of mature trees and shrubs.

Further patio areas provide excellent space for entertaining, while a timber garden shed and summerhouse provide useful additional storage and accommodation.

A major feature of the garden is the superb kidney-shaped heated swimming pool, complete with its own heating and filtration system.

Further benefits include side access, outside cold-water tap and external lighting.
