

## Lots Road, London, SW10 0QH Prices from £3,990,000

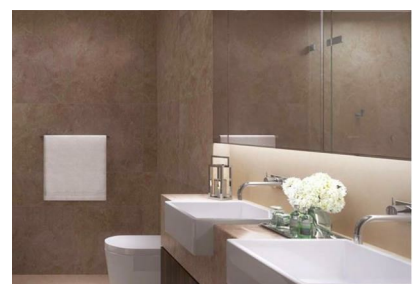

This wonderful 4 bedroom apartment in Chelsea is situated in the sought after Chelsea Waterfront development, on the 27th floor with stunning Panoramic Views of the River Thames and the River Gardens.

This Penthouse has a wonderful layout and extends to 2200 square feet, with a huge balcony making it one of the most sought after and value for money new build Penthouses in Central London.

The development consisting of the Towers and The Water Gardens is premier location and pioneering architecture from every point of view.

This landmark scheme for London has been conceived to enjoy an important and beautiful part of the Thames waterfront – the last remaining significant river front site directly on the north bank of the Thames between Chelsea and the city. The Towers stand majestically each side of the landscaped creek, framing the iconic Lots Road power station and providing the standout elements among ten superb buildings that comprise the first significant development in Chelsea for over a century.
