Candlin and Co Ltd offer office space in Walsall

This versatile office space is spread across two floors, offering a practical and comfortable working environment. The upstairs level includes three private rooms, ideal for offices or meeting spaces, along with a shower room, one WC, and kitchen access for added convenience. The ground floor features two additional rooms suitable for reception or workspace use, along with a WC and shared kitchen access. This layout provides flexibility for teams and professionals, with essential amenities on both levels to support everyday operations.
