Bampton

Bampton lies on the very edge of beautiful Exmoor National Park, and is dominated by its Motte dating back to 1067. It has an ancient charter fair and is a well-deserved regular winner of Britain in Bloom. Once a thriving wool town, Bampton's Georgian houses are built of locally quarried stone. The whole town centre is a conservation area, and Bampton boasts almost 100 listed structures including two telephone boxes.

This traditional town has plenty to offer visitors in the form of various shops, pubs & restaurants and places to stay. As well as the usual amenities such as a post office, spa, pharmacy and greengrocers, Bampton also offers a more unique retail experience.
