Description

Entering through the front door, you step into a generous entrance hall that immediately sets the tone for the space and flow of the home. To the left lies the contemporary kitchen, fitted with sleek white shaker-style wall and base units. It includes an integrated eye-level oven, hob, and plumbing for a washing machine, creating a practical and stylish cooking environment.

Continuing along the hallway, the inviting lounge offers a warm and comfortable place to relax after a long day. It provides ample room for your living furniture and can easily accommodate a small dining table if desired.

Bedroom One is positioned at the rear of the property—a well-proportioned double bedroom filled with natural light from a large window overlooking the garden. Opposite, the Wet Room adds everyday convenience and features a shower, WC, and hand basin.

The ground floor is completed by the dining room, which includes the staircase to the first floor and patio doors opening directly onto the rear garden, creating a lovely indoor–outdoor connection.

Upstairs, you will find two further bedrooms. Bedroom Three is a cosy single room with fitted storage, while Bedroom Two offers a spacious double layout, ideal for guests or family.

The rear garden provides a charming setting for outdoor living, with a patio seating area and stone chippings—perfect for alfresco dining or relaxing in warmer months. At the front, a well-kept garden enhances the kerb appeal, while the substantial side garden offers exciting potential for extension (STPP).

A garage and carport complete the property, adding valuable storage and parking convenience.
