Description

Stepping into the property, you are welcomed by a spacious entrance hall offering practical access to the principal living areas of the home. To the left, the generous living room is bathed in natural light from large front-facing windows, while elegant French doors open out onto the rear garden. This impressive L-shaped space provides the perfect setting for both relaxing and entertaining with family and friends.

Moving through to the dining room, you'll find a well-proportioned space finished with stylish contemporary tiling and ample room for a large family dining table. At the rear, double glass doors lead seamlessly into the beautifully presented kitchen. Thoughtfully designed, the kitchen offers plentiful storage and worktop space, alongside a double integrated oven and a well-positioned sink overlooking the garden.

Beyond the kitchen lies a practical utility room, complete with additional worktop space and room for a washing machine and dryer neatly tucked below. There is also space for a large fridge freezer, enhancing the functionality of this area. A conveniently located downstairs W/C further adds to the home's practicality and versatility.

Ascending from the entrance hall, the first floor opens onto a spacious landing, designed to comfortably accommodate the flow of a busy five-bedroom home. All five bedrooms are well laid out, creating a cohesive and balanced upper level. Two of the bedrooms benefit from large built-in storage, ideal for keeping living spaces tidy and organised. The principal bedroom also features a generously sized en-suite, complete with shower, wash basin, and W/C.

Each of the five bedrooms are well-proportioned, with large windows that flood the rooms with natural light and provide flexibility for a variety of furniture arrangements.

Externally, the rear garden offers a fantastic outdoor space, featuring a large patio seating area—perfect for summer barbecues and entertaining. A brick-built planter runs along the border, filled with mature shrubs that add charm and character. The garden also benefits from a substantial summer house, complete with double doors, windows, and electricity, making it an ideal space for year-round use—whether for relaxing or hosting guests. A separate shed provides additional storage.

Further enhancing the property is off-road parking for up to three vehicles, with two spaces on the driveway and a third within the garage, which also offers excellent potential for a range of alternative uses.
