### Description

A charming pathway lined with attractive planting leads to the front door, opening into a welcoming entrance hallway. Bright and spacious, the hallway sets the tone for the rest of the home and features a useful storage cupboard—ideal for coats and shoes—alongside a convenient ground-floor cloakroom with WC.

To the right, you'll find the inviting living room. Thoughtfully designed with neutral décor and excellent use of space, this room offers a comfortable setting for relaxation, enhanced by double doors that provide a pleasant outlook and direct access to the rear garden. To the left is the stylish open-plan kitchen/dining area, a standout feature of the home. Flooded with natural light from two large windows, this space is both practical and visually appealing. The kitchen is fitted with sleek white wall and base units, creating a crisp, modern finish, and includes a built-in electric oven, gas hob, and a range of cleverly integrated appliances, including a fridge freezer, washing machine, and dishwasher. To the rear, there is ample space for a dining table, making it perfect for entertaining family and friends. The current owner has maintained the property to an exceptional standard, with high-quality finishes throughout.

Upstairs, a generous landing provides access to all rooms. The principal bedroom is a well-proportioned double, benefiting from dual-aspect windows that allow plenty of natural light, along with ample space for storage. An en suite adds a touch of luxury, featuring a shower cubicle, hand basin, WC, and a heated towel rail. Bedroom two is another comfortable double, while bedroom three is a small double, offering flexibility for a variety of uses. The family bathroom is neatly finished with partial tiling and comprises a bath, WC, and heated towel rail, providing a clean and functional space.

Outside, the fully enclosed rear garden is designed for low maintenance, featuring predominantly decking and a patio seating area to the rear.
