## Description

Stepping through the front door, you are greeted by a welcoming entrance hall that sets the tone for the rest of this beautifully presented home. To the left, a door opens into the spacious lounge, where a large picture window frames far-reaching views over Tiverton and beyond, filling the room with natural light. An electric fire creates a cosy focal point, and a generous under-stair cupboard provides excellent storage.

From here, a door leads into the impressive kitchen/diner—an ideal space for entertaining. A range of wooden wall and base units offer ample storage, complemented by a range cooker and integrated dishwasher. Flowing seamlessly from the kitchen is the sizeable conservatory, a standout feature of the property. Overlooking the rear garden, it provides an additional seating or reception area, perfect for family gatherings or simply relaxing.

A door from the kitchen leads into the practical utility room, which houses the boiler and offers plumbing for a washing machine. Off the utility is a convenient downstairs WC and internal access to the garage. The garage itself benefits from an up-and-over door, a window, and side access.

Upstairs, the first floor hosts four bedrooms and a family bathroom. Bedroom One is a generous room with built-in wardrobes and stunning views through its picture windows. It also enjoys a private ensuite featuring a large walk-in shower, WC, and vanity unit. Bedroom Two is another excellent double with built-in storage, while Bedrooms Three and Four are also well-proportioned doubles. The family bathroom completes the floor, fitted with a bath with shower over, WC, and hand basin.

Outside, the rear garden offers a fantastic, low-maintenance space. An area of artificial lawn provides year-round greenery, with steps leading to a raised seating area and a superb summer house. With power connected, the summer house is ideal as a peaceful retreat or a home office.

To the front, the property enjoys a lawned garden and driveway parking for three to four vehicles.
