OWNERS COMMENTS

"Home for me is a special place to feel relaxed, secure and happy. Living here for the past 4 years has given me this and been really wonderful. I have added some touches to make it my own especially in the garden which is a tranquil space to enjoy sunny days and listen to birdsong. My home is filled with light and I love to open the bi-fold doors letting in the outside whilst sitting in the kitchen, this has also been great for entertaining. In the colder months the log burner is a welcome source of heat and cosiness.

With the many walks literally on my doorstep I have enjoyed exploring the surrounding fields, paths and woodlands with my dog, also cycling on my bike. Community spirit is very much evident with friendly neighbours, an annual summer barbecue, communal apple orchard and a nearby allotment if you enjoy growing your own. The location was a major consideration in buying my home and it is perfect to enjoy countryside living with shops, schools and amenities nearby. The time has come for me to move on and I will certainly miss the ease and beauty of living here."
