Clovelly Oxenden Square, Herne Bay, CT6 8TW £485,000

Clovelly is situated within the prestigious Oxenden Square, an historic residential square renowned for its mature trees, open green space, and unique character. The square is protected by a historic covenant dating back to 1833, ensuring the central grounds remain free from development and preserved as an ornamental plantation of trees and shrubs for the benefit of residents. This long-standing protection helps maintain the attractive setting and distinctive environment that make Oxenden Square such a sought-after location.

Occupying a prominent position within the square, Clovelly is an attractive chalet-style home offering versatile accommodation.

The spacious lounge is a particular feature, enjoying two bay windows that flood the room with natural light, whilst high ceilings enhance the feeling of space. To the rear, the dining room overlooks the garden and benefits from double doors opening onto the patio. Currently used as a bedroom by the present occupiers, this flexible room can easily adapt to suit a variety of needs. A modern family bathroom completes the ground-floor accommodation.

The cottage-style kitchen features wooden worktops, a traditional butler sink, and ample storage, leading through to a useful utility area.

On the first floor are two bedrooms, one of which benefits from a small en-suite shower room.
