Client Comments

"We've had a very happy almost 8 years here and have enjoyed updating a lot of it. It's suited us well for just the 2 of us, with space for entertaining inside and out but would also be a wonderful family home. It's a quiet little cul-de-sac and the neighbours generally keep to themselves but have all been very welcoming to the street over the years. The balcony has a gorgeous view of the Ochil hills and gets the sun from sunrise till about 2/3pm. The decking at the back, in summer, gets the sun till very late."

Description

The property has been substantially extended in the past alongside a formal conversion of the garage to offer versatile accommodation, offering flexibility as a modern family home. Five bedrooms include 2 to the ground floor and 3 at first floor level, providing space for a large family or for accommodating those who work from home. An impressive main living and dining room is perfect for everyday unwinding or hosting family meals, whilst a well-proportioned kitchen is equipped with a range of storage cabinets and further space for everyday dining or a morning cuppa. A separate utility at the rear offers further storage and laundry use. The smaller of the ground floor rooms features an adjacent WC and would make for an ideal guest bedroom. The garage conversion is linked from within the house and is a wonderful multi-purpose space for a teenager or an owner looking for lateral living, with the added benefit of a shower room to the rear.

Upstairs, the accommodation continues to impress with 3 further bedrooms including a generous master with fitted wardrobes and balcony overlooking the rear garden. The bedroom also features direct access into the 4 piece bathroom, with a generous bath ideal for those who like a long soak complimented by a spacious enclosure housing a thermostatic shower tower. A further double bedroom is equipped with fitted wardrobes whilst the smallest of the 5 bedrooms is a cosy home office or nursery, with cupboard for handy storage. Gas central heating and double glazing throughout offer further practical comfort.

Externally, the property enjoys excellent off-street parking with a tarmac front and side garden allowing multiple vehicles to park. The fully enclosed rear garden has been carefully landscaped to offer sections for enjoying the sunny weather or alfresco dining throughout the day and into the evening.
