THE PROPERTY

Approached via central steps leading up to the front door which opens in a generous hallway with useful storage each side. Leading from the hallway is the dual aspect living room which provides a lovely formal space with attractive exposed brick chimney breast and log burner stove, perfect for a cozy winter night in. There are two further reception areas comprising a formal dining room and a separate family room with views and direct access onto the garden. The kitchen is a particular feature of the property, with painted shaker style units providing ample storage and incorporating a central island. Off the kitchen is a utility and separate laundry room and W.C. which has been recently refitted.

Upstairs the spacious master bedroom, with views over the garden, benefits from a dressing area with built in wardrobes and a refitted en suite. There are two double bedrooms which also benefit from en suites. and three further bedrooms and a very well proportioned refitted family bathroom.

THE GARDENS

The property is accessed and set back from Stevenage Road, the attractive mature front garden with gravelled driveway offers ample off street parking and provides access to the detached double garage with electric up and over entry doors and two electric car charging points.

The beautiful rear garden is generous and in our opinion provides a good degree of privacy. An attractive patio area adjoins the immediate rear of the house and steps lead up to the large lawned area with mature trees and shrubs. A large store and shed provide useful storage and the possibility to convert into a home office or gym (subject to potential planning requirements). There is gated side access both sides of the property.
