

# HARLINGTON MANOR, WESTONING ROAD

## HARLINGTON

## Harlington Manor, Westoning Road

Harlington

Bedfordshire LU5 6PB

Guide Price £1,850,000

A fabulous Grade 2 \* listed Manor House believed to date from the late C14th that has evolved over the centuries in both historical significance and building structure. It is grand and imposing while also being elegant and sophisticated. Every room reflects beautiful period features of its time, all working in harmony to create this extraordinary home of rare scale and ambience.

The landscaped grounds are a joy and provide a wonderful, private setting for this unique property. The numerous and attractive outbuildings and barns offer further flexibility and options for future sympathetic development and enhancement (subject to the usual consents). Harlington Manor seeks new custodians to love and enhance this rare gem as previous generations have done for 600 years. Whether you are looking for a family home, a staggeringly impressive property in which to entertain on a grand scale or you fancy a change of lifestyle to run your own Boutique B and B business then we would thoroughly recommend an early viewing of Harlington Manor.

Viewing strictly by appointment.
