## Lead In

Modern, spacious and beautifully presented throughout, this exceptional four bedroom end terrace home occupies a generous plot in one of Fitzwilliam's most sought after residential locations. Offering immaculate accommodation, outstanding room sizes and an adjoining parcel of land, this is a rare opportunity for families, professionals and developers alike.

Perfectly positioned close to Fitzwilliam railway station, highly regarded schools, local shops and excellent commuter links, the property combines convenience with an enviable amount of outside space. The substantial adjoining land creates impressive front and rear gardens along with a private driveway providing valuable off-street parking – a feature seldom found with homes of this style.

Internally, the property has been maintained to an exceptional standard, offering modern fixtures and fittings throughout together with spacious, light filled accommodation that is ready to move straight into. Every room has been thoughtfully presented, making this an ideal purchase for buyers seeking a home requiring little or no work.

A significant advantage of this property is the adjoining land, which, subject to the necessary planning permissions and consents, could offer future development potential. Previous planning applications have existed but have now lapsed, presenting an exciting opportunity for purchasers wishing to explore the possibilities.

Homes of this size, presentation and plot rarely become available, making this a truly unique opportunity. An internal viewing is essential to fully appreciate the quality, space and future potential this outstanding home has to offer.
