Beautifully Characterful One Bed Garden Flat with Private Garden. CHAIN FREE.

Behind the handsome Victorian facade of a classic Camberwell terrace, this beautifully presented garden flat feels calm, colourful and full of personality. Elegant proportions, original character and thoughtfully chosen finishes create a home that's both stylish and inviting, while the rare combination of a private garden and access to a generous communal garden gives it an exceptional sense of space outdoors.

Arranged across the lower ground floor, the layout flows beautifully between generous living spaces and peaceful outdoor areas. The reception room is particularly impressive, with high ceilings, a striking bay window and ample space for both relaxing and entertaining. Rich timber flooring, decorative detailing and carefully curated interiors give the room warmth and character without losing its sense of light. The separate kitchen is bright and practical, with bold yellow cabinetry bringing a playful contemporary edge, while generous worktop space and excellent natural light make it an enjoyable place to cook. The double bedroom is wonderfully proportioned, with original features including a fireplace, soft natural light and direct access into a bright sun room. This versatile additional space offers an ideal spot for working from home, reading or simply enjoying the garden outlook throughout the seasons. The bathroom combines timeless white metro tiling with soft blush walls, creating a contemporary finish that complements the period character found elsewhere in the home. There is also a deep cupboard running off the bathroom to store your odds and ends.

Outside is where this property becomes particularly special. The private rear garden forms part of the demise, providing a wonderfully secluded space for outdoor dining, morning coffee or entertaining beneath mature greenery. Residents also enjoy the right to use the communal garden, adding another generous outdoor space that's increasingly rare to find in central Camberwell.

Lilford Road is one of Camberwell's quietly charming residential streets, lined with handsome Victorian buildings and perfectly positioned between the neighbourhood's independent cafés, acclaimed restaurants and much-loved green spaces. Burgess Park, Myatt's Fields Park and Ruskin Park are all within easy reach, while nearby Denmark Hill offers Overground and National Rail connections into central London.
